POLISH OFFICE ORGANIZING TOURS AND ATTRACTIONS IN GRAN CANARIA

We are the organizer of some of the best tours and attractions on Gran Canaria. We created this catalog so that you can plan your stay on the island already at home.

After arriving, many visitors realize that they do not want to spend the whole holiday only on the beach or by the pool. They would like to explore the island and enjoy interesting adventures. Unfortunately, especially in high season, places are often limited and sometimes we must refuse bookings.

With this catalog you can choose and reserve your tours in advance. Simply send us the dates of your stay and the attractions you are interested in, and we will organize your schedule so that you do not have to worry about anything during your holiday.

Optional Tours with a Polish Guide.

Our tours are organized in small groups – luxury minibuses for 8–9 people – so the atmosphere is friendly and relaxed.

We are the only company on the island offering such a diverse and carefully prepared program. Each tour around Gran Canaria is a different adventure, with unique places and a special character.

We invite you to discover our unique offer.
Our services are available in Polish, English and German.
